MEMORANDUM FOR: Deputy Director Central Intelligence
THROUGH : Director, Budget, Program Analysis and
Manpower
SUBJECT : Funds for Project [REDACTED]

25X1A2D2

1. This memorandum requests your approval of the recommendation contained in paragraph 4.

2. Project [REDACTED] is an on-going program to design and implement a computer-driven document and information retrieval system for the Agency. The responsibility for the design and development of the [REDACTED] system is assigned to the Office of Computer Services, DD/S&T. The [REDACTED] effort will lead to a new system for functions now performed by OCR, DD/I. The Intelligence Directorate exercises its management role in Project [REDACTED] via the DD/I [REDACTED] Officer, located in the Office of the Assistant Director, Central Reference.

3. A commitment of funds in the amount of [REDACTED] is required to extend contractual assistance on Project [REDACTED] for completion of Phase II (Systems Design Phase). Target date for completion of Phase II is December 1964. Unobligated funds are available for this requirement in the OCS budget for FY 64. (Attachment A provides background, objectives, and funding information.)

4. I recommend your approval to obligate [REDACTED] for further contractual assistance on Project [REDACTED]
